Mr. Edward Bingley
HR In Charge
Mega Mart
89 NW Block
Rockford, IL 98983

Dear Mr. Bingley:

“Good management is the art of making problems so interesting and their solutions so constructive that everyone wants to get to work and deal with them”.

–Paul Hawken

Introducing myself as a well organized and detail oriented Management graduate, I'd like to be considered for your advertised position of store manager at Mega Mart.

My profile may be short in experience but not so in expertise. I have received professional training in management and have also had some firsthand exposure to store management thanks to credited projects that were a part of my coursework. Born savvy for price and product comparison and well versed in market surveying, I am also good at communicating with others. My natural peoples' orientation and exceptional interpersonal skills tied with functional knowledge of store management are bound to support the advertised role at Mega Mart.

Since my skills are best demonstrated in person, I'd like to see you in an interview and discuss further how hiring me as a store manager can prove to be an asset for Mega Mart. I shall call your office coming Thursday to see if you can spare a few minutes from your schedule for an interview. In the interim, should you have any concerns regarding my qualifications, I'd be glad to be of assistance. You may reach me at (009) 222-1111.

Thank you for your time and consideration.

Sincere regards,
