Date: **23rd July 2014**

Introduction

Stockport MBC Crash Investigation Team undertook a Stage 2 Safety Audit for the above on the 9th July 2014. The audit examined road safety implications associated with the CCAG cycle scheme on Manchester Road, Cheadle..

The crash team identified 1 recommendation, the response to which is set out below.

Exceptions

Problem No. in Safety Audit Report	Problem Accepted (Yes/No)	Recommended Measure Accepted (Yes/No)	Alternative Measure
1	Yes	No	Although the route goes over Cheadle Bridge this element of the works is being designed/constructed by Manchester City Council. It is the Network Engineers understanding that MCC will be providing a 0.5 metre buffer zone from the parapet using hatched road markings. This will highlight to cyclists not to ride adjacent the parapet.

Conclusions: -

None
