Reasons for underexpenditure in Year 1:

Personnel: There was a significant unexpended carryover balance for one collaborator as a result of difficulties in recruiting qualified research associates in Year 1. Amount underspent will be carried to Year 2 for prospective RA salaries.

Equipment: Because of the delay in recruiting personnel in Year 1, the purchase of the Stereoinvestigator equipment for one collaborator is being postponed until Year 2.

* - Requesting new budget line item. Research collaborator meeting to be held during the final year of the grant to plan the publication of research findings.
