

Curriculum Vitae

Janis Lea May

English Department

Permian High School and Odessa College Adjunct

Personal and Professional Assets

As an instructor, I enjoy the camaraderie of both my fellow teachers and the students with whom I work, respecting both and considering them partners with me in learning. Considering myself a team player, I seek out advice and knowledge from others in my field; I stay abreast of developments in the fields of Rhetoric and Composition and Literature and Education by attending conferences and reading articles related to those fields. I am committed to life-long learning.
