

Old Colony Commuter Rail

TIE REPLACEMENT PROJECT

Customer Service Notice

Abington Station

Work Resumed Monday, March 14

Weekday Service

Weekday tie replacement work that affects stations along the Plymouth/Kingston Line has been completed and weekday rail service along the Plymouth/Kingston Line was completely restored on September 19, 2011. Weekday bus service is no longer required between stations.

Saturday/Sunday Service

**Weekend rail service to Abington Station is currently suspended.
No trains will operate on Saturdays or Sundays.**

Please note that substitute bus service will not be provided during weekend closures. Passengers are advised to seek alternate routes.

This station will be subject to weekend closures until the work affecting this Line is complete. Currently, this anticipated completion date is **Summer 2012**.

For more information:

Go to <http://www.mbta.com> and click on the Old Colony Tie Replacement button located on the first page.

Week of November 7, 2011
