

Pinebrook Elementary School Student Contract

The Bring your Own Technology (BYOT) program is designed to allow students to use their own electronic devices within the school setting to enhance their education. The use of an approved personal electronic device is a privilege, and students may be denied access for failure to follow the District/School Guidelines. Students wishing to participate in the BYOT program must comply with the following guidelines and procedures.

Students:

1. Must abide by the District Acceptable Use Policy, as well as specific Pinebrook Elementary School guidelines.
2. Are responsible for ensuring the safety of their own personal devices. Pinebrook Elementary School is not responsible for the loss/theft of a device, nor are they responsible for any damage done to the device while at school.
3. May only use approved devices when directed by a classroom teacher, and they may only be used for an educational purpose.
4. Must keep devices on silent, and put away when not directed to use them.
5. May not use the camera feature to capture, record, or transmit audio, video or photographs of other students or staff members.
6. May not use the device in a manner which is disruptive to the learning environment.
7. Who are found to be bullying or harassing through the use of technology are subject to discipline.
8. Are responsible for servicing their personal electronic devices. The School/District will not charge, service, repair or maintain any non-district owned technology brought to, and used at school by students.
9. May not use technology in any unauthorized location without the expressed permission of a teacher.
10. Must keep device in the backpack when the student is outside of the classroom (on the bus).
11. Are the only one to use their own device. Students are not allowed to let other students borrow their device.
