

## **2016 Event Photography Request for Proposal**

Stamford Downtown Special Services District, a not for profit business improvement district in Stamford Downtown, is seeking to obtain paid services with a professional photographer to assist with some of our various events throughout 2016. Our organization is looking to capture photos for our website, our Social Media accounts, collateral materials and various publications with both candid and posed pictures.

### **Stamford Downtown Photography Services Overview**

Stamford Downtown Special Services District needs coverage for a professional photographer to take photos at each of the events listed on the following page. Please note the dates and times are approximate and subject to change. We have tried to make them as accurate as possible such that the estimates can be accurate in the proposals. Confirmation of times and locations will be supplied as soon as available.

Submissions should include a portfolio of work, whether through the photographer's website or other methods to provide examples. Preferred photography style is candid and/or event photographs. Having relationships and understanding of process in working with local magazines to submit for publications is an advantage. Please indicate if your rate is hourly or by event. Please indicate if you offer a reduced nonprofit rate. We can offer inclusion of your logo in our event materials as promotional value to help reduce the cost of your quote. Photos and all rights will be the property of Stamford. Please indicate how the photographs would be sent to Stamford Downtown and the expected timeframe to receive photos after each event.

### **RFP Submittal Procedure**

Please submit proposals and portfolio information by Monday, February 8, 2016 at 4pm to

Annette Einhorn, Director of Marketing
