*A business tax license or Declaration of Business Tax is generally required and typically filed and the city or county in which the practice is located.

**A fictitious business name is a name that does not include the surname of the individual business owner or a name that suggests the existence of additional owners. If such a fictitious business name is used in a for-profit business the individual or entity is required to file a fictitious business name statement no later than 40 days from the date business is first transacted.

These statements are required to be renewed. The filing of these statements can be accomplished with the recorder at the County Clerk's office. The filing fee is nominal. It will further be required that the fictitious name be published in a newspaper of general circulation in the area of the practice for at least four weeks.
