

# Handmade Holiday Note Cards

**\$5 for a Packet of 6 Large Cards** (fits in 4 x 6 envelopes)

**\$3 for a Packet of 6 Small Cards** (fits in 3 x 5 envelopes)

With some assistance from adults, students in the SCI classes at Pied Piper make note cards. Students participate in the multiple steps required in making paper, by activating switches. Once the paper is made and dried, students help by rolling the AccuCut machine to cut out the various shapes you see on each unique card. Other students help in gluing shapes cut onto a card for purchase. Finally, students help to press on labels on the back of each card produced!
