CLAREMONT CLUB & SPA  
A FAIRMONT HOTEL

# Kids' Club Activity Descriptions

## EARLY CHILDHOOD

**Ages 1-3 years**

Kids' Club early childhood program is designed for children ages 1-3 years old. Full itinerary includes free time, clean up, a special project or adventure and feedback on important motor, sensory and communication milestones developed using research from the American Academy of Pediatrics.

## MOVIE NIGHT

Our flagship party time consists of dinner, a movie, popcorn and an occasional special cooking project. We generally have two choices of movies, one for the younger crowd and one that appeals to the 10 years and over crowd. After the movie is over, watch as the Kids' Club transforms in a dance hall and party until pickup!

## Youth Fitness

This program was designed in partnership with Build Our Kids Success, which seeks to improve academic performance through exercise. We added it to our programming to prime kids for our other educational programs.

## OUTDOOR ADVENTURES

**Ages 5+**

Get out and explore! Each week has a different theme; including hiking, arts and crafts, animal shows, outdoor games and sports and survival. Some activities here have a transportation and attendance fee that will be posted on the schedule

## CHESS BY THE POOL

**All Ages**

Activities include child centric, impromptu lessons or tactics sessions and a weekly chess puzzle. Solve the puzzle and win free ice cream!

## LITERATURE, PUPPETRY

**& DRAMA**

**Ages 3+**

Next level dramatic play. This course is designed to build on children's burgeoning emotional expression and awareness, public speaking, literacy, story telling, and creative thinking skills. Participate in puppet design and showmanship.

## MUSIC

**Ages 3-5**

Get your kids interested in music! Each lesson is focused on a different musical concept and contains fun activities to introduce kids to the world of music creation.

## SPECIAL EVENTS

### Kids Club Mural Contest

**Ages 10+**

We've decided the Kids' Club needs a facelift. Join our contest to seek out the best design for our new mural! Send an email to [claremontkidsclub@fairmont.com](mailto:claremontkidsclub@fairmont.com) to receive a registration packet with rules and guidelines. Submit your application prior to April 12th to be considered!

### Mural Creation Workshop

**Ages 10+**

Meet us in the Pool Arbor and learn how to transfer a small sketch to a large mural, then go over some basic spray painting techniques.
