Hosting & Maintenance Plan Agreement

Between:

Client Name		Paramount Digital Marketing Ltd.
Client Address		Weatherill House, New South Quarter
Client Address	and	23 Whitestone Way
Client Address		Croydon, Surrey CR0 4WF

Paramount will host a single website on a shared or dedicated web-server and implement software security and vulnerability updates appropriate to the website’s age and platform. This includes updates to the website’s core platform software, themes, associated files and all third-party and/or bespoke plugins but does not include structural, design, cosmetic, functionality or content changes.

Maintenance updates are carried-out monthly, quarterly or six-monthly according to the complexity and popularity of the website and/or the client’s preference.

- Monthly maintenance updates: £85 per month / £1020 per annum (+VAT)
- Quarterly maintenance updates: £65 per month / £780 per annum (+VAT)
- Six-monthly maintenance updates: £45 per month / £540 per annum (+VAT)

In addition the plan includes the following:

- ▶ Six-monthly face-to-face website review meetings
- ▶ Quarterly website health checks & browser checks
- ▶ Quarterly website visitor reports
- ▶ Daily website backups

Plans run for a minimum 12 month period and the monthly cost is fixed for the term.

Payments are made calendar monthly by standing order on either the 8th or 23rd of each month.
