Volume License Purchasing

Educational Volume Purchasing is a cost effective and efficient way for schools to purchase the language learning software they need. Transparent Language is pleased to offer educational institutions discounts on the purchase of multiple licenses of our language learning programs for use in school labs and classrooms. Purchase as few as 10 copies of the same program to qualify for a discount.

Volume Pricing Qualifications

Any qualifying educational institution that purchases 10 or more licenses of the same product on the same purchase order or invoice qualifies for a Volume License Discount. Whether you purchase directly from Transparent Language, or from one of our Authorized Educational Resellers, volume pricing is available for your school.

Volume License Discounts

A detailed price list is included on the back of this form. For each program purchased under the Transparent Language Volume License plan, you will receive 2 copies of the software (1 for installation and 1 for backup) and an official Volume License Authorization Letter from Transparent Language. This letter will authorize you to install the purchased software onto the specified number of computers in your schools lab.

How to order

To order Volume Licenses, of Transparent Language programs for your school, simply call or email Transparent Language, or contact a Transparent Language Authorized Education Reseller.
