PCC'S WESTSIDE AMERICORPS PROGRAM SERVICE PROJECT SUMMARY

Service Project: National and Global Youth Service Day

Date: April 19–20, 2007

Summary of Activity:

For the National and Global Youth Service Day (NGYSD) project, PCC AmeriCorps partnered with the American Red Cross AmeriCorps to help promote environmental responsibility among junior high and high school students. On April 19 AmeriCorps members facilitated educational activities focused on recycling and energy and water conservation at Notre Dame High School for Girls. In addition, AmeriCorps members engaged students in an after school beautification project. Students and AmeriCorps members worked together to plant flowers in areas surrounding the front entrance of the school. On April 20 . . .
