## Advice to International Passengers on Limitation of Liability

---

Passengers on a journey involving an ultimate destination or a stop in a country other than the country of origin are advised that the provision of a treaty known as the Warsaw Convention may be applicable to the entire journey, including any portion entirely within the Country of origin or destination. For such passengers on a journey to, from, or with an agreed stopping place in the United States of America, the Convention and special contracts of carriage embodied in applicable tariffs provide that the liability of certain carriers, parties to such special contracts, for death of, or personal injury to, passengers is limited in most cases to proven damages not to exceed U.S. \$75,000 per passenger, and that this liability up to such limit shall not depend on negligence on the part of the carrier. The limit of liability of U.S. \$75,000 above is inclusive of legal fees and costs except that in the case of a claim brought in a country where provision is made for separate award of legal fees and cost, the limit shall be the sum of U.S. \$58,000 exclusive of legal fees and costs.

For such passengers travelling by carrier not a party to such special contracts or on a journey not to, from, or having an agreed stopping place in the United States of America, liability of the carrier for death or personal injury to passengers is limited in most cases to approximately U.S. \$10,000 or U.S. \$20,000. The names of carriers, parties to such special contracts, are available at all ticket offices of such carriers and may be examined on request. Additional protection can usually be obtained by purchasing insurance from a private company. Such insurance is not affected by any limitation of the carrier's liability under the Warsaw Convention or such special contracts of carriage. For further information, please consult your airline or insurance company representative. NOTE: The limit of liability of U.S. \$75,000 above is inclusive of legal fees and costs except that in the case of a claim brought in State where provision is made for separate award of legal fees and costs, the limit shall be the sum of U.S. \$58,000 exclusive of legal fees and costs.

**NOTE OF BAGGAGE LIABILITY LIMITATIONS:** Liability for loss, delay or damage to baggage is limited unless a higher value is declared in advance and additional charges are paid. For most international travel (including domestic portions of international journeys) the liability limit is approximately U.S. \$9.07 per pound (U.S. \$20.00 per kilo) for checked baggage and U.S. \$400 per passenger for unchecked baggage. For travel wholly between U.S. points, Federal rules require any limit on an airline's baggage liability to be at least U.S. \$1,250 per passenger. Excess valuation may not be declared on certain types of articles. Some carriers assume no liability for fragile, valuable or perishable articles. Further information may be obtained from the carrier.

**NOTICE:** If the passenger's journey involves an ultimate destination or stop in a country other than the country of departure, the Warsaw Convention may be applicable and the Convention governs, and in most cases limits the liability of carriers for death or personal injury and in respect of loss of, or damage to, baggage. See also notices headed "Advice to the International Passengers of Limitation of Liability" and "Notice of Baggage Liability Limitations".

The carrier may not be able to entertain requests for changes on return flights and in such case cannot be held responsible for passengers who either miss a return flight or wish to return earlier than planned for any reason whatsoever.

CARRIER RESERVES THE RIGHT TO REFUSE CARRIAGE TO ANY PERSON WHO HAS ACQUIRED A TICKET IN VIOLATION OF APPLICABLE LAW OR CARRIER'S TARIFFS, RULES OR REGULATIONS. SOLD SUBJECT TO TARIFF REGULATIONS.
