General Vendor Requirements:

Yadkin County is seeking quotations from qualified dealers to re-mount one existing Type III ambulance body owned by Yadkin County onto a new chassis designed for ambulance use. Quotations should include the price of the new chassis and re-mount work. Other Quotations may be configured to consider the trade of the chassis from the box to be re-mounted, and other complete ambulance listed on page 4.

All vendors must submit proof of the following along with their quote:

- A physical location where warranty work is performed by factory-authorized vendor within the State of North Carolina and within 75 miles of Yadkin County.
