Restaurant information on back!

Hungry?

Jay Peak also features 10 restaurants on campus - there's something for everyone! A quick description of each restaurant is below.

ALICE'S TABLE	Alice's Table is the Jay Peak restaurant best suited to families or special occasions.
THE CLUBHOUSE GRILL	There's a strong argument that a golf course is only as good as its clubhouse. These are the places where golfers gather to eat, drink and speak at length of their triumphs and tragedies on the course. At Jay, the Clubhouse Grille plays the role of host to your pre- and post-game conversation.
THE FOUNDRY PUB & GRILLE	The Foundry Pub & Grill provides hungry skiers, riders, golfers and splashers of all sizes and stripes with char-grilled steaks and meats, fresh pastas, and locally sourced vegetables and proteins. The Foundry is located in the Hotel Jay, across from The Mountain Shop.
HOWIE'S	From Howie's special recipe meatloaf and chicken fried steak to venison stroganoff, great breakfast skilletts, huge sandwiches and more, you'll find out what eating breakfast and brunch like a local tastes like.
THE TOWER BAR	Located in the Tram Haus Lodge, beside Alice's Table. You'll find staples like burgers, sandwiches, salads and wings.
MOUNTAIN DICK'S PIZZA	The Foundry Pub & Grill provides hungry skiers, riders, golfers and splashers of all sizes and stripes with char-grilled steaks and meats, fresh pastas, and locally sourced vegetables and proteins. The Foundry is located in the Hotel Jay, across from The Mountain Shop.
THE DRINK	The Drink provides a front row seat of the Pump House, four flat screen HD televisions and direct sight lines of the borderline enormous 16 foot television located above the Double Barrel surfing wave. Drinks, lunch and dinner daily.
BUDDY'S MUG COFFEE SHOP	Check out specialty coffees, cappuccinos, espressos, or if you prefer, regular black coffee. A good supply of freshly baked goods are available: croissants, desserts and stuff to make the kid's (and kids at heart) squeal. Located in the Hotel Jay, just off the Front Desk area.
THE WARMING SHELTER SNACK BAR	Located at the Pump House Indoor Waterpark. The Shelter offers up a wide range of sandwiches, chicken fingers and fries, pizza, ice cream and soft drinks all designed to keep appetites at bay long enough for another drop on La Chute.
PROVISIONS GENERAL STORE	The Jay Peak Provisions General Store offers everything you'll need for your stay and then some. Inside you will find groceries, wine and a walk-in beer cave as well as our full service deli for fresh meats and cheeses, subs, salads and pasta dishes. Also a great stop for some Jay Peak swag!

We can't wait to see you!
