

Youth Football and Cheerleading Sponsorship Proposal 2016

Sir or Ma'am

On behalf of Panama City Beach Youth Football Team, we would like to extend an invitation to you and your company to become a sponsor of our youth football program. We are a community non-profit and a completely volunteer staffed organization. Our mission is to provide quality recreation and skill development in the game of football for all youth in Bay County that participate in the Panama City Beach Youth Football Team ages 5-12.

Please take some time to review the sponsorship information. I am confident you will find a level of sponsorship that will be comfortable for your company as well as beneficial to our organization and community youth participants. **We are completely Non-Profit. Our Tax ID# 59-365-7577.**

Possible sponsors, such as yourself are crucial for funding this great organization that has been a local staple for over 40 years in our community. Your support will open many new opportunities for these children, as well as help develop the mechanics necessary to enhance their sports skills and the necessary mentorship to grow in their development into young adults. Also, your contribution has and will enable them to participate in distinguished tournaments around the region. These events will broaden their discipline and character, on and off the field, which is invaluable to their future endeavors.

As you can imagine, there are many expenses involved in managing a youth football and cheerleading organization. Our Executive Board and staff are happy and honored to be in a completely voluntary position in running this organization and watching the children grow, learn and help our community through volunteer work. Your sponsorship will logistically provide for the purchase of uniforms, insurance, football equipment, referees, registration fees for families in need and allow children in our local foster care system to participate in our program at no cost to the fostering facility or fostering family.

Your contribution is not just a charitable contribution, but is also an advertising opportunity. Your business will be advertised at all of our home games and shortly on our webpage. Without the support of people and businesses like you, we will not be able to reach our goals with these children. We hope that your company will consider another needed year of sponsorship towards the Panama City Beach Dolphins as well as a invitation into our Dolphins family. Thank you once again for your generous support of our organization and its children.

Any amount of donation is highly appreciated and welcome. We guarantee that your donations go directly to providing the best environment and care with these children and the Dolphins organization.
