## INFOGRAPHIC SKILLS

---

I made of my passion my work and I do always my best for the satisfaction of my clients. I worked as graphic designer and art director and I created projects developed through the web and printing.

*On left an infographic that show my skills and experiences.*

## APPLICATION FIELDS

---

In the last years I worked in different agencies dealing with a lot of aspects and projects regarding advertising, social media, branding, web design, illustration, packaging, photography, corporate, logo design, vector design and video editing.

My role included meeting clients or account managers to discuss the business objectives and requirements of the job, interpret client's needs, develop a concept and create graphic and web solutions using a wide range of design programs.

## INTERPERSONAL SKILLS

---

Excellent problem solving skills with an eye for details. Ability to relate to others and integration within working groups.

Competent and skillful in organizing work and managing deadlines. An hard and passionate worker, determined to always improve myself.

## HOBBIES

---

I have many passions, and one of these is travel, I think discovering different cultures and learning new things are an essential part of the life of everyone. I am just come back from an year past in Australia, where I could make beautiful experiences of life, travel and job. In this year I worked as designer freelance for some companies and I improved a lot my english.

I like draw especially with watercolor and pencils, I love photography and everytimes I can, I visit photo and art galleries or design exhibitions.

In my freetime I like go to the cinema and I watch a lot of films, I like also read comics, swim and play volleyball.
