

Table Chart

Optional

While this form is optional, it is helpful in organizing your mealtime assignments. Some groups use this form to help assign table captains. For example, all the number 1s are table captains for the 1st meal, all the number 2s are table captains for the 2nd meal, etc. Be certain to indicate numbers of tables needed on the Meal and Lodging Form. Please seat 8 or 9 to a table if your group is 6th grade or younger, and 6 or 7 to a table if 7th grade or older. (Teachers/chaperones sit with Tremont staff at a separate table.)
