

Spring 2013

Dear Friend,

The Foundation Fighting Blindness (FFB) is the world's leading eye research organization that is dedicated to raising funds to drive research that will provide preventions, treatments and cures for people affected by the entire spectrum of retinal degenerative diseases.

We are proud to announce that FFB will be holding the **2nd Annual Hampton Roads VisionWalk** on **Sunday, April 28, 2013 at 17th Street Park**. Currently held in 50 cities across the country, the VisionWalk program has raised over \$25 million for sight-saving research since its inception in 2006. We are expecting approximately 300 participants to take part on April 28th. This event offers participants a fun-filled day, while raising awareness and critical funding for retinal degenerative diseases. With your support of the Hampton Roads VisionWalk we move closer to a cure.

We are requesting your support in donating any products and/or services that can be used to support the Foundation and the walkers during this event. I would also be happy to provide information on how you and your company can support the Hampton Roads VisionWalk through sponsorship or team participation. Your consideration is greatly appreciated.

Should you have any questions about the Foundation Fighting Blindness or the Hampton Roads VisionWalk, please visit us online at www.FightBlindness.org/HamptonRoadsVisionWalk or contact Somer Read, Event Assistant, at SRead@FightBlindness.org or 410-423-0645.

Please join us! With your help, a cure is in sight!

Sincerely,

VisionWalk Volunteer
