

TEAM HOPE SPONSORSHIP PROPOSAL

6th Annual Hilliard Team Hope 5k & Walk

Saturday, July 22, 2017

Homestead Park – Hilliard Ohio

HELP FOR TODAY

This year our goal is to raise \$10,000, bringing **help for today** for people affected by Huntington's disease, by supporting the Central Ohio Chapter for the Huntington's Disease Society of America. The Chapter upholds many services for families and individuals affected by HD right here in Central Ohio such as:

- Social work services
- Chapter support groups
- Educational conferences
- Educational resources for HD families, medical professionals and the general public.

HOPE FOR TOMORROW

Why We Walk...

Huntington's disease is a fatal, degenerative brain disorder that devastates families for generations upon generations -- emotionally, socially and economically. HD slowly diminishes one's ability to think, eat, talk, walk and reason, they become entirely dependent upon others for care. Symptoms typically appear in the prime of one's life between 30 to 50 years old, however symptoms of Juvenile HD have been seen in children as young as two years old.

More than 30,000 people in the United States are currently diagnosed with HD. Each of their siblings and children has a 50 percent risk of developing the disease. Currently, there is no cure and only one FDA-approved treatment for one symptom of HD.

This year we will walk to support HDSA's "care" and "cure" initiatives. We will provide **Help for today** by supporting Ohio and the region, through our goal of raising \$10,000. We will also provide **Hope for Tomorrow** through the essence of the **Team Hope** fundraiser. Team Hope is a great way to demonstrate how a team of inspired individuals can join together to make a difference. More than a fundraiser, it is an opportunity for the entire community to partner in a day of camaraderie, inspiration and above all, *hope*.
