LAW GUIDES

The PTLG contains property tax laws and rules. The laws include section histories, notes, and significant court cases. The rules interpret the law for the purpose of administration and enforcement. The PTLG also contains pertinent provisions of the California Constitution, government codes that relate to property taxation, a calendar of property tax dates, and an indexed table of court cases.

The BTLG consists of sales and use tax and various special taxes laws, regulations, and annotations. The laws include section histories, notes, and significant court cases. The regulations interpret the law for the purpose of administration and enforcement. The annotations are staff interpretations for a particular subject or situation.

The law guides are available in the following formats:

1. The **hard copy** law guides consist of 6" x 9", 3-ring binders with loose-leaf pages. The purchase price covers the cost of binders, tabbed dividers, the basebook, and the first year's subscription to the updating service. There may be multiple updates each year.
2. The **DVD** consists of both the Property Taxes and the Business Taxes Law Guides on one disc. They are in HTML format. The HTML version allows you to search, copy, paste, and print. The DVD will include all current hard copy updates at the time of its production.
