Dear Ms. Stocks:

On behalf of the San Diego County Board of Supervisors, I want to express my appreciation to Lifesharing for its generous office and laboratory equipment donation.

We continue to acknowledge the working relationship between Lifesharing and the Medical Examiner's Department and the lives of people that were saved through the gift of organ donation in cases handled by the San Diego County Medical Examiner. Additionally, the lives of people that have been enhanced thanks to the tissue donations. Your partnership with the Medical Examiner represents an important service to diverse community members and San Diegans who have unexpectedly lost a loved one.

Your donation will support the Medical Examiner's laboratory investigations, and most importantly, help the office serve its clientele with efficiency.

Your partnership and support of the Medical Examiner and the community are deeply appreciated.
