

## Individual Training Plan

This plan will be developed in collaboration with the applicant / foster parent and foster home licensor, following requirements established in Policy 5180 Foster Parent Training.

- First three-year licensing period requires 36 hours of training, including one training from each competency category and at least one cultural competency training.
- Second three-year licensing period requires 30 hours of training, including one training from each competency category and at least one cultural competency training.
- Licensing periods thereafter require 24 hours of training.
