Asthma Health Education Consultant

Division of Public Health

Health Promotion & Disease Prevention

Job Description

The Georgia Department of Community Health (DCH), Division of Public Health, is seeking qualified candidates for the position of Asthma Health Education Consultant.

Under limited supervision, the Asthma Health Education Consultant will serve as a core member of the state's asthma team supporting community-based health education efforts for the control and management of asthma. This position will lead the design and implementation of evidence-based asthma education programs. Responsibilities of this position will include developing and implementing policy, systems, and social approaches to address asthma at the community level.

Qualifications

Bachelor's degree in a related field and three years experience performing work related to area of assignment
OR

Master's degree in a related field and one year experience performing work related to area of assignment
OR

Seven years experience performing work related to area of assignment.

Note: Some positions may require licensure.

Preference will be give to applicants who, in addition to meeting the above requirements, possess the following:

- Master's Degree and significant related work experience.
- Demonstrated competence in planning, implementing and evaluation of community-based health education
- Experience in collaborations and/or coalition building and maintenance.
- Ability to communicate clearly and concisely; verbally and in writing.
- Excellent interpersonal and organizational skills, with an ability to work with a diverse group of people and multidisciplinary teams.
- Capability of assuming responsibility with minimum supervision, problem solving and setting priorities.

Benefits

In addition to a competitive starting salary of up to **(\$35,569 \$48,935)**, we offer a generous benefits package that includes employee retirement plan, deferred compensation, 12 paid holidays, vacation & sick leave, dental, vision, long term care, and life insurance.

Note: Current state employees are subject to the statewide salary plan administration practices. This position is a pay grade 15 on the statewide salary plan.

Area Information

This position is located in metro [Atlanta](#).

From a virtually uninhabited railroad terminus in 1837 to a sprawling metropolis of over four million people today, metro Atlanta has the vibrancy of the world's great urban centers combined with the Southern charm of small town centers such as Roswell and Decatur. Here you'll find historic sites from the Civil War through the Civil Rights era, as well as world-class shopping, entertainment, and nightlife.

Applying for this job

Please email your cover letter and resume in Microsoft Word format to: ph1@dhrjobs.com

To ensure proper routing/handling of your credentials, **type** the following as your email subject: [Asthma Educator](#)

The candidate selected for this position may be subject to pre-employment drug screening, a criminal background check and reference check.

The Georgia Department of Human Resources provides services to ensure the health and welfare of Georgians. As an employee of DHR, in the event of an identified emergency, you may be required, as a term and condition of employment, to assist in meeting the emergency responsibilities of the Department.
