## Our Culture

‘Peepal is Proud’. Celebrating people, celebrating work has always been a part of the Peepal culture. Taking a moment to appreciate workplace milestones, outstanding performances, ideas and celebrating birthdays are occasions we make a big ‘fuss’ about! At the centre stage of Peepal the spotlight is on our employees. It’s easy to get carried away with deadlines, targets and meetings but taking time to put pen to paper is our way of saying ‘thank you’. At Peepal creating an environment where employees can express themselves, where appreciation is made known, hard work is rewarded is one of our major goals.
