

## Volunteer Photographer/Videographer

**Project Soar Mission:** works to empower adolescent girls in the developing world by providing the opportunity for them to better know their value, voice, body, rights and path. Our programming is in the shape of weekly, facilitated workshops.

We are seeking a Volunteer Photographer, who will visit Project Soar Management once or twice per month, to shoot photos and video of our programming, that will then be used to create social media content and profile materials for Project Soar. We welcome someone who is passionate about girls' empowerment and education, with a commitment to the Project Soar mission. Our ideal Volunteer is a dynamic self-starter, an exceptional communicator and has the time and ability to prioritize Project Soar in their monthly schedule. Candidates must be based locally in the Marrakech area and have means to travel to Douar Ladaam, although Project Soar can often provide transportation.

The volunteer will work in collaboration with a Project Soar team member, to determine the needs of the month. We seek someone who is looking for a recurring volunteer opportunity and is interested in helping to spread the work of Project Soar, through visual aids and storytelling.

### Responsibilities

- Photograph Sunday workshops to create content for use in social media, website & print
- Photograph Special Events as needed
- With guidance, create a visual plan to tell the PS story, based on our Five Pillars of Empowerment
- Working from goals laid out by the Visual Plan, create a shot list to guide your vision and work
- Consistent attendance; failure to deliver will have significant impact on our goals
- Upload, edit and categorize photos for same day submission to Project Soar
- Ability to respond to messages and emails, beyond scheduled work hours
- Ability to meet deadlines and turn work around in a timely, often rapid, manner

### Requirements

- Experienced Photographer
- Available Sunday, twice per month
- Available to document a minimum of one special event/assignment per month
- Ability to travel to Project Soar Headquarters, in Douar Ladaam
- Strong communicator, with the ability to maintain grace in dynamic situations
- Confidence working independently and delivering assigned tasks on time
- Experience with youth preferred
- Possess all needed equipment
- Regular access to wifi, use of Photoshelter, ability to communicate with team via gmail, Asana, Slack
