

Sponsorship Letter

Dear Friends and Family,

I am very proud to let you know that I have been selected as a member of the 2010 Bushwackers Drum and Bugle Corps, a 501c3 Not-For-Profit Organization. I have made it through the audition phase, and have started rehearsals in preparation for our 2010 competitive season, which takes place late June and ends with the Drum Corps Associates World Championships in Rochester New York in early September. It is a true privilege to be a member of such a prestigious performance ensemble.

If you are not familiar with our group and the activity of Drum and Bugle Corps, allow me a minute to tell you about it. The Bushwackers Drum corps will be celebrating their 29th anniversary in 2010. The organization is a 6-time World Championship drum corps. The Bushwackers are a family of people that range in age from 13 years to 60 years. Our members come from as far north as Connecticut and as far south as Virginia and compete throughout the East Coast.

Being a part of a prestigious group does not come for free, and that is one of the reasons I'm writing you today. Each member of the drum corps is required to raise \$455.00 for membership fees. These fees cover rehearsal facilities, instruction, uniforms, equipment and other operating costs.

I would appreciate any assistance you could provide. This is an opportunity unmatched by any other. You can also visit our website at www.bushwackers.org to find the locations of our performances and competitions in your area throughout the summer. We encourage everyone to come and enjoy the friendly, family atmosphere and amazing music and marching that is The Bushwackers.

I would like to thank you for your support and hope to see you at a competition or performance over the summer.

Sincerely,

Bushwacker Member
