DOUBLE-SIDED TAPE  
SCOTCH TAPE  
RULER  
DARK-COLORED MARKER  
TWINE/STRING  
TOOTHPICKS/DOWELS/STRAWS

## TIPS & TRICKS

- Solid lines indicate crop marks. Use a paper cutter or scissors and cut along these lines for best results.
- Print on matte, white cardstock when possible for the best quality cut-outs.

### INVITATIONS

- Fill in your event details with a dark colored marker.
- Cards are sized to fit an A7 envelope.

### GIFT TAGS

- Empty space for you to write 'Thank you!' or desired phrase.
- Use a paper punch to get clean string holes.

### LARGE/SMALL PARTY CIRCLES

- If you have a paper punch in the corresponding sizes, use for clean lines.
- Use double-sided tape to secure circles back-to-back on toothpicks, dowels, etc.

### MINI FLAGS

- Fold paper flags around object and secure inside with double-sided tape for cleanest results.
- Note the shaded triangle at the end of each flag. Snip this out once paper is folded and secured around straw, dowel, or desired object.

### WRAPPERS

- Are large enough to fit standard sized water bottles, or can be trimmed to fit candy bars, napkins, treat bags, etc.
- Use double sided tape for cleanest results.

### CUPCAKE WRAPPERS

- Sized to fit standard cupcakes.
- DO NOT BAKE PAPER WRAPPERS.
- Affix to the outside of oven-safe wrappers AFTER cupcakes have cooled with double-sided tape.

### PLACE CARDS

- Use dark marker to write names or locations on place cards.
- Fold along the dashed line, DO NOT CUT.
