

Bathroom Cleaning Checklist

just a quick clean...

- Empty the wastebasket.
- Remove whatever doesn't belong in the bathroom (clothing, etc.) and put it away.
- Remove everything from sink area.
- Spray toilet area including floor with all purpose cleaner. Squirt toilet bowl cleaner into toilet.
- Clean toilet.
- Wash your hands. Get a clean paper towel or rag.
- Spray mirror with glass cleaner. Spray sink and counter with all purpose cleaner.
- Clean mirror. Clean sink and counter.
- Put things back on counter.

a bit fresher...

- Bring all used towels to laundry room.
- Set out fresh towels.
- Make sure there's enough extra toilet paper.

deep cleaning...

- Mop floor.
- Tidy soaps, shampoo, etc. Spray shower / tub with cleaner. Scrub clean.
- Clean light switches with a damp cloth.

when you're done

Put away all cleaning supplies and put dirty rags in the laundry.

You've just blessed the whole house with your hard work!
