Dear Sir/ Madam,

I was very interested in your advertised role for an interior designer, and I would like to be considered for this position.

I am highly experienced in this area, and have trained with some highly reputable interior designers. I have undertaken relevant courses and work. Related to this field I have also worked for interior design magazines where I was able to display some of my work and write articles to give the target audience ideas of how to decorate their homes.

I have experience in home decorating, but also in the commercial context I have even dealt with the interior design of offices. As I have worked with some high profile clients, I have an excellent reputation in the industry. I believe that I would be a very good fit for your company as a result of my vast experience. I believe that your clients would appreciate someone with my level of experience and creativity.

I am a highly recommended interior designer, and can provide you with references with previous people with whom I have worked.

I attach my CV with details of my past work and also my references. I look forward to hearing from you.

Yours sincerely,
