Note to Parents Regarding Toys at School

Please help us improve your child's learning environment by limiting unnecessary distractions in the classroom. Issues arise when toys (Pokemon cards, Shopkins, Legos, etc.) are in students' desks, become lost and when these toys are not shared. Therefore, the presence of these items may be detrimental to student learning, thus taking away from instructional time. Please do not allow toys to come to school in student backpacks. If toys are found, they will be taken to the office for parent pick-up.

Nerf like footballs, soccer balls and kick balls will be permitted on the playground with the understanding they are to be shared with other children.

We would like to thank you in advance for your cooperation. If you have questions please do not hesitate to call the office.
