Focus 2014

Success for all Students		Strategy
.	Increase intensity of teaching and assessing mastery of phonics throughout the early years.	<ul style="list-style-type: none"> To fully adopt the school's new Whole School Literacy Plan. To fully implement a whole school spelling program.
	Increase expectations to identify and intervene where students are at risk of not achieving above the national minimum standards in NAPLAN.	<ul style="list-style-type: none"> To implement case management approach similar to Literacy and Numeracy Partnership strategy. To analyse NAPLAN/SAIS/FIRST CUT data during Phase of Learning Meeting To examine and consider Summary Semester Reports at the beginning of the year to identify the strengths and weaknesses of students. Refine SAER procedures and process to provide support at the point of need in literacy and numeracy by working collaborative with the Phase of Learning Team and the Support teachers. Create short term goals, targets and IEP's utilising the case management approach similar to the ILNNP. Continue to collect samples which will be placed in evidence files.
	Commence implementation of the WA Curriculum and Assessment Outline, including requirements for reporting to parents.	<ul style="list-style-type: none"> Complete Eddystone's new Reporting to Parents policy. Examine the work samples and grade exemplars in CSCA. Participate in in-school moderation and with other network schools. Examine the Principles of teaching, learning and assessment and make the links to the 'istar' approach.

	Teach and assess English, history, mathematics and science using the Australian Curriculum content and achievement standards in preparation for full implementation in 2015.	<ul style="list-style-type: none"> • Implement the Australian Curriculum Implementation Plan as outlined in the school plan. • Commence planning and assessment with support from the 'Phase of Learning Team' in each cluster.
	Review specific teaching and assessment practices in health education, with renewed emphasis on students' personal and social capabilities and mental health promotion.	<ul style="list-style-type: none"> • Examine the content, achievement standard, scope and sequence and resource highlighted on the ACARA, Department Portal and Schools Curriculum and Assessment Authority. • Undertaken professional development in this area and develop an action plan for implementing.
	Use new national standards for disability to document and report levels of learning and teaching adjustments made for students.	<ul style="list-style-type: none"> • Examine new national standards for disability requirements and determine how this will be implemented across the school.
Improved student attendance, engagement and behaviour.		
	Ensure case management plans for students at educational risk are addressed in the transition between primary and secondary school.	<ul style="list-style-type: none"> • Identify students who are at educational risk due to the attendance issues and ensure that this information is provided to the secondary school include case management plans.
	Ensure positive "attendance careers" are established and maintained by students from day one in Kindergarten.	<ul style="list-style-type: none"> • Continue to promote regular attendance in the newsletter. • Provide professional reading and research to parents about the importance of attendance.

	Pursue and document attendance of every student not demonstrating regular attendance, bringing to the attention of relevant agencies students at risk, particularly Aboriginal students.	<ul style="list-style-type: none"> • Continue to promote a whole school approach to attendance issues whereby all stakeholders are informed of their obligations and responsibilities. • Implement a case management approach to attendance issues. • Continue to monitor SMS attendance and follow up on habitual lateness or absences. • Create an awareness of attendance targets/data and ensure that all staff are working on improving these targets across the school.
	<ul style="list-style-type: none"> • Actively use Attendance Advisory Panels and Responsible Parenting Agreements where there is persistent student absence following extensive intervention. 	<ul style="list-style-type: none"> • Access the support of the attendance officer to implement a variety of strategies to support students with chronic attendance issues.
	Increase emphasis on promoting safe and effective use of social media, acting swiftly and strongly where bullying or cyber bullying emerges.	<ul style="list-style-type: none"> • As part of the Positive Support Behaviour Framework, the school is revising whole School BMIS and values. • Continue to revise cyber bullying concepts. • Attend cyber bullying workshops and professional development for staff, parents and students.
	Work with school psychologists	<ul style="list-style-type: none"> • To provide opportunities for the

	and interagency partners on student mental health issues including suicide and self-harm prevention.	school psychologist, as determined by the school service agreement, to provide workshops on resilience, social skills and anxiety. This awareness, in the primary context, provides a preventative measure in dealing with the more complex issues of suicide and self harm in later adolescence years.
High quality teaching and leadership		
	Use a whole-school approach to peer classroom observation to provide robust, professional feedback for teachers.	<ul style="list-style-type: none"> • Utilise peer classroom observations to support literacy block, numeracy and behaviour management strategies. • Introduce 'istar' to create an overall framework for disciplined dialogue. • Continue to explore and develop an in depth understanding of the Professional Standards in Teachers. • Utilise whole staff meetings, collaborative meetings, phase of learning team meetings to commence peer classroom observations.
	Refine workforce plans in preparation for the move of Year 7 to secondary settings.	<ul style="list-style-type: none"> • Workforce plans are in place to determine the transition of Yr 7's to secondary setting.
	Plan with individual staff to manage the reduction of leave liability.	<ul style="list-style-type: none"> • Plans with affected staff are in place.
	Ensure all staff are aware of possible staffing changes	<ul style="list-style-type: none"> • Disseminate the information to all teachers so that there is an

	and opportunities, including Switch, arising from the move of Year 7.	awareness of the process and expectations.
	Participate in school leader and registrar training in preparation for the new student-centred funding model in 2015.	<ul style="list-style-type: none"> School will participate in mandated training to ensure that obligations, responsibilities, adherence to Department and legislative requirements are clearly understood by the Registrar and Principal.
	Introduce a new process for principals' professional review in Independent Public Schools.	<ul style="list-style-type: none"> Ensure that the new process and expectations are clearly understood so that the IPS debate at Eddystone PS is well informed.
	Use national principal and teacher standards as a basis for performance management.	<ul style="list-style-type: none"> Continue to use the professional standards as a reflection tool as part of the performance development process. Routinely discuss the various indicators at whole staff meetings whereby each area is considered. Include Standards 3&4 as the focus for this year's performance development process. Provide a graffiti board whereby the indicators can be discussed.
	Implement the education program and practice elements of the National Quality Standard in the early years in preparation for 2015.	<ul style="list-style-type: none"> Continue to provide professional development and training to the early childhood teachers to ensure that the Quality Standards in the Early Years is successfully implemented.
A capable and responsive organisation.		

	Become familiar with the requirements of the new student-centred funding model for implementation in 2015.	<ul style="list-style-type: none"> • Participate in the professional development, in conjunction with the Registrar, to implement the student centred funding model in 2015.
	Manage within newly set budget and staffing levels.	<ul style="list-style-type: none"> • Ensure that adequate funds are left in the salary pool to cover the long service leave liability. • Provide information to the community about the changes that will occur as a result of the funding changes.
	Develop plans at both primary and secondary levels for the transition of Year 7 students, ensuring access to both secondary specialist teaching and facilities in secondary schools.	<ul style="list-style-type: none"> • Provide information to parents about the changes regarding transition to high school. • Liaise with the Belridge Senior High School Yr 7 Transition Coordinator to provide advice on this process to Eddystone Primary School students. • Work with the high school about having an open day where information about the high school can be shared.
	Participate in the new Independent Public Schools development program as agreed with the school community.	<ul style="list-style-type: none"> • Eddystone Primary School will participate in the development program and then consider the possibility of implementation if there is tangible evidence that it will lead to improved student outcomes.
	Continue to use flexibility and authority to set conditions to improve teacher quality and	<ul style="list-style-type: none"> • Systematically examine the new sets of delegated authority and determine how this will impact on school operations.

	student learning.	<ul style="list-style-type: none"> • Utilise changes to staffing to place permanent teachers in the school. • Commence planning of new one-line budget to explore additional flexibilities to enhance teacher quality and student learning.
	Start administering the National School Opinion Surveys for parents, students and staff.	<ul style="list-style-type: none"> • Commence planning for National Schools Opinion Survey for parents, students and staff.
	Be well prepared for the bushfire season.	<ul style="list-style-type: none"> • Ensure that fire safety is considered in the Eddystone PS context and consideration provided for the natural bush setting in front of the school.

Moral Purpose ~ Create a beliefs statement about Mathematics teaching and learning. ~ Develop a policy based on the 'beliefs statement'.	To establish a set of shared beliefs and moral purpose with regard to the teaching and learning of Mathematics at Eddystone.	Create beliefs statement – term 1 Develop policy – term 2	All teachers to actively apply belief statement in their teaching. Performance Management and walk throughs to monitor teacher application of belief statement and policy in the classroom.	Administration Numeracy Intervention Team (Curriculum Committee) Mainstream and IEC Classroom Teachers
Curriculum and Planning ~ Continue to plan using the Australian Curriculum. ~ Utilise the "Maths Tracker" for tracking planning and recording of AC content ~ Provide opportunities for collaborative planning between teachers of similar year levels.	To continue the implementation of the Australian Curriculum and facilitate collaborative planning opportunities between mainstream and IEC teachers.	All year	Performance Management meetings. Teachers provide evidence of the planning use of the AC Mathematics in their classroom. Classroom monitoring tool (<i>Maths Tracker</i>) to support teachers in their application of AC	Administration Classroom Teachers
Teaching and Learning ~ Develop an audit of the "Pedagogy" section of the Numeracy Practices Guide and identify key elements for staff professional learning. ~ Establish numeracy blocks as a common and consistent instructional approach across the school. IEC to implement when appropriate ~ Embed explicit teaching, differentiation and student feedback as key elements of numeracy blocks.	To establish and embed common, consistent approaches and good evidence-based pedagogy into teaching and learning programs.	All year Professional learning with teachers about structure/elements of numeracy block in Term 1. Revise/consolidate/monitor in walk throughs and collaborative meetings.	Teacher/Peer clinical observations will support teachers in the application and observations of Numeracy pedagogy. Walk throughs to provide teacher feedback on numeracy blocks and pedagogy in the classroom through Performance Management process.	Classroom Teachers Administration
Assessment and Data ~ Develop a whole-school assessment schedule. ~ Introduce reporting against the Achievement Standards from the Australian Curriculum.	To create a common and purposeful approach across the school to assessment and reporting based on the Achievements Standards of the Australian Curriculum.	Develop assessment schedule – term 1 (Separate schedule for mainstream and IEC classes) Reporting – terms 2/4	Numeracy support teacher to support teachers implement whole school assessment schedule. EDDYSTONE PRIMARY SCHOOL Science Scope and Sequence for Primary Connections units (Schedule B) 2014

- The following Primary Connections units have been allocated to the following classes to be completed in semester 1 and semester 2.
- Please follow the 2014 scope and sequence and don't complete other units which have not been allocated to your class.
- IEC classes can choose a unit appropriate for their class from schedule A.

Reporting for 2014 (mainstream):

- The Schedule B units will be reported on in the corresponding semesters for the mainstream classes.
- Investigating in science needs to be reported on in both semesters.
- Use the 'C' grade descriptors as a basis for your reporting. Also use the Australian Curriculum Achievement Standard as a guide for the 'C' grade. The science 'C' grade descriptors can be found in - S:\Teaching Staff\Science\Primary Connections\science expected standards c grade descriptors
- <http://primaryconnections.org.au/curriculum-resources/> Click on your unit in this link and you will find lists of resources and links to the Australian Curriculum in Science, English and Maths.

Animated Clips:

The following links from 'BBC Bitesize' have excellent animations which are great to use with your science topic.

KS1 Bitesize Science (for junior primary, but can be used with middle and upper primary): <http://www.bbc.co.uk/bitesize/ks1/science/>

This site has 11 topics, such as 'Garden Gurus' 'Enviro Spotter' 'Play your sounds right'

KS2 Bitesize Science (for middle and upper primary):

<http://www.bbc.co.uk/schools/ks2bitesize/science/>

There are 3 strands: 'Living Things' 'Materials' and 'Physical Processes' – each of these strands will open up to a variety of topics, i.e. Living Things has topics such as: micro-organisms, plants, food chains.

Big Books:

There are some new science big books in the reading room and they include lesson plans and blackline masters. A copy of the blackline masters is in a plastic sleeve attached to the big book, please return the big book along with the blackline master to the reading room. A scanned copy of the blackline masters can be found in - S:\Teaching Staff\Science\science big books

WA CURRICULUM FRAMEWORK 5 CLUSTERS OF CORE SHARED VALUES

2013-2015

<p>1. A PURSUIT OF KNOWLEDGE AND A COMMITMENT TO ACHIEVEMENT OF POTENTIAL</p> <p><i>The lifelong disposition toward the quest for knowledge, as each person strives to understand the social and natural worlds and how best to make a contribution to these worlds. Each person is encouraged to achieve his or her potential in all respects and, through critical and creative thinking, to develop a broad understanding of his or her own values and world views.</i></p>	<p>2. SELF ACCEPTANCE AND RESPECT OF SELF</p> <p><i>The acceptance and respect of self, resulting in attitudes and actions that develop each person's unique potential — physical, emotional, aesthetic, spiritual, intellectual, moral and social. Encouragement is given to developing initiative, responsibility, ethical discernment, openness to learning and a sense of personal meaning and identity.</i></p>	<p>3. RESPECT AND CONCERN FOR OTHERS AND THEIR RIGHTS</p> <p><i>Sensitivity to and concern for the well-being of other people; and respect for life and property. Encouragement is given to each person to be caring and compassionate, to be respectful of the rights of others, and to find constructive ways of managing conflict. This includes the right to learn in a friendly and non-coercive environment.</i></p>	<p>4. SOCIAL AND CIVIC RESPONSIBILITY</p> <p><i>The commitment to exploring and promoting the common good and meeting individual needs without infringing the basic rights of others. This includes the encouragement of each person to participate in democratic processes, to value diversity of cultural expression, to respect legitimate authority, to promote social justice and to support the use of research for the improvement of the quality of life.</i></p>	<p>5. ENVIRONMENTAL RESPONSIBILITY</p> <p><i>The commitment to developing an appreciative awareness of the interdependence of all elements of the environment, including humans and human systems, and encouraging a respect and concern for Australia's natural and cultural heritage and for forms of resource use that are regenerative and sustainable.</i></p>
<p>1.1 The pursuit of personal excellence: <i>Each person should be encouraged to achieve his or her personal best in all undertakings and to respect the achievements of others.</i></p> <p>1.3 Empowerment: Each person should be encouraged to develop critical thinking, the creative imagination, interpersonal and vocational skills, and basic competencies in the various forms of disciplined inquiry.</p>	<p>2.1 Individual uniqueness: Each person should acknowledge his or her own uniqueness and be encouraged to develop self-respect and dignity.</p> <p>2.3 Ethical behaviour and responsibility: Each person has freedom of will, is responsible for his or her own conduct and should be encouraged to develop discernment on ethical issues and to recognise the need for truthfulness and integrity.</p> <p>2.5 Initiative and enterprise: Each person should have the confidence to show initiative and be enterprising in his or her approach to life's challenges.</p>	<p>3.1 Compassion and care: Each person has a right to receive care and compassion and have a life of dignity, free from harassment and discrimination.</p> <p>3.2 Equality: Each person has equal worth and basic rights, regardless of differences in race, gender, age, ability, religious belief, political affiliation, national origin, citizenship, regional location, or economic or household status.</p> <p>3.3 Respect: Each person should respect those of different opinion, temperament or background.</p> <p>3.5 Individual differences: Each person differs in his or her readiness and ability to learn and has the right to be given access to available knowledge at a level appropriate to his or her developmental needs and interests.</p> <p>3.6 Cooperation/Conflict resolution: Each person should strive to work cooperatively and to resolve conflict peacefully while respecting differences and valuing the other person.</p> <p>3.7 Family/home environment: Each person should recognise the importance of a secure and caring family/home environment.</p>	<p>4.2 Community: Interpersonal cooperation and social responsibility are encouraged.</p> <p>4.3 Diversity: The richness of many cultural expressions is recognised, and diversity in the context of shared community life is welcome.</p> <p>4.5 Authority: People should respect legitimate and just authority structures and the rule of the law, while recognising and observing human rights.</p> <p>4.7 Social justice: The right of each person to a fair share of society's economic and cultural resources is recognised.</p>	<p>5.1 Cultural heritage: The cultural heritage of Australia, including Aboriginal sacred and archaeological cultural heritage, should be respected and maintained.</p> <p>5.2 Conservation of the environment: The management of the environment should take into account the need to preserve its diversity and balance for the future.</p> <p>5.4 Diversity of species: Each person should recognise a need to preserve native habitats and arrest the extinction of presently-surviving native species.</p>

Recommendations from Annual Report

Continual improvements on student achievement standards in literacy and numeracy will remain our focus for 2014

This will be achieved by;

- ensuring our School Plan 2012-2015 aligns to Department of Education priorities and directions as outlined in Progressing Classrooms First, Strategic Plan for WA Public Schools 2012-2015 and Focus 2014

Implementing School Priorities in;

- Literacy
 - Participate in Improving Literacy and Numeracy Partnership Program
 - Implement the Australian Curriculum in English
 - Complete First Steps Writing in 2014

- Induct new staff with First Steps Modules and Lexile Programs
- Implement 'Whole School Literacy Plan'.
- Numeracy
 - Continue a mathematics focus in Improving Literacy and Numeracy Partnership Program.
 - Provide support in mathematics.
 - Induct new staff with FIRST STEPS mathematics.
 - Consolidate First Steps Number
 - Consolidate Problem Solving Model.
 - Based on the professional learning from Paul Swan, commence to revise whole school Numeracy plan.
- Instructional Intelligence
 - Revise cooperative learning strategies professional development.
 - Implement cooperative learning strategies throughout the whole school including specialist programs.
 - Implement scope and sequence chart in strategies.
- Consolidate the Intensive English Program and, where appropriate, create a whole school approach to curriculum links.
- Students at Educational Risk
 - Create and design a strategic plan over the next three years.
 - Create an operational plan for 2014
 - Develop a flexible and fluid approach with providing support for at risk students in literacy and numeracy.
 - Develop in-school bench mark testing which will identify 'at risk' students before NAPLAN testing in Yr 3,5 and 7.
- ISTAR
 - Participate in professional development in 2014.
 - Develop a whole school approach to the 'istar' framework.
 - Commence utilising the framework to support mentor classroom observations and co-coaching.
 - Make links to the Australian Professional Standards for Teachers and performance development processes.

- fostering and nurturing community links and partnerships as a means of supporting curriculum initiatives;
- implementing use of ICT throughout the curriculum and support the professional development of teachers in the use of Ipads and interactive whiteboards.
- creating an educational culture that provides parents with the skills and knowledge to support their children with their learning.
