IMPORTANT INFORMATION

Changes to holders of Repatriation Health Card – For Specific Conditions (White Card)

- For treatment provided under the *Veterans' Entitlements Act 1986* (VEA) and the *Military Rehabilitation and Compensation Act 2004* (MRCA)

As from 1 September 2012 dental providers will no longer be required to contact DVA for prior financial authorisation of treatment for White Card holders *where the service is related to the White Card holders accepted condition(s)* unless otherwise specified in this fee schedule.

Providers can contact DVA (see telephone numbers listed below) if they require treatment status for White Card holders.

Compliance

DVA is placing a greater emphasis on the existing compliance model for the provision of all health services. DVA will maintain its commitment to working with service providers to maximise voluntary compliance. Therefore treatment must be based on assessed clinical need. It is important dental providers continue to document the clinical reasons for treatment provision to DVA entitled persons.

DVA has compliance monitoring systems which monitor the servicing and claiming patterns of health care providers. This information assists DVA to establish internal benchmarks, the current utilisation and projected future delivery of services.

4. REPATRIATION MEDICAL FEE SCHEDULE

EXPLANATORY NOTES

The fees listed in the Repatriation Medical Fee Schedule (RMFS) are for specialist consultations and procedures.

In Hospital items have been calculated with consideration given to private health industry rates.

Out of Hospital items have been calculated based on the Medicare Benefits Schedule (MBS) at a rate of 135% of the MBS for consultations and 140% of the MBS for procedures.

All medical practitioners, including LMOs and general practitioners, who have the appropriate qualifications updated with Medicare Australia, are eligible to claim for services listed in the RMFS. Items listed on the RMFS do not attract the Veterans Access Payment (VAP) or the Rural Enhancement Initiative (REI) loading.

When claiming an RMFS item using the DVA treatment service voucher, electronic funds transfer or your own stationery, please ensure that you have correctly indicated whether you have performed the service In Hospital or Out of Hospital and claimed at the appropriate rate. Whether a service is considered In Hospital or Out of Hospital is assessed as per Medicare assessment rules.

For items not listed in the RMFS please refer to the appropriate schedule in this booklet.

- For medical attendances and consultations provided by general practitioners participating in DVA's Local Medical Officer Scheme, please use the Local Medical Fee Schedule for the relevant fees.
- For derived fees for Local Medical Officers, please use the Derived Fees for Local Medical Officers Fee Schedule.
- For In Hospital anaesthetic services please use Relative Value Guide Fee Schedule.
- For diagnostic imaging services please use the Diagnostic Imaging Fee Schedule.
- For pathology services please use the Pathology Fee Schedule.
