GO SHARKS!

St. Gregory Hovsepian School is pleased to offer a variety of after-school sports activities. For training purposes, the school will determine an indoor basketball court at a local sports facility. Our teams ultimately compete in leagues sponsored by the City of Pasadena and the KAHAM games, an interscholastic competition among private Armenian schools, that includes basketball, volleyball, soccer, track and field, table tennis, and chess. We also participate in scrimmages against local non-Armenian private schools (e.g., Westridge, Flintridge, and Mayfield). These local prep schools break down their teams in A, B, & C categories, with "A" being their most developed competitive level. Hovsepian students play all three levels.

Becoming a Team Parent

A team parent must be selected in order for a team sport to begin practice. A team parent will fulfill his or her 20 hours of FPP hours for the school year by providing the following volunteer work:

- Gather all team members' information and create a "Shutterfly" account to update team members about upcoming practices and games.
- Organize rotations of snacks/drinks that will be provided for players after each game.
- Be present at the end of the year "Sports Ceremony" and assist in organizing.

Please email Athletics Director Coach Zare Manoukian if you're interested in being a Team Parent at zmanoukian@hovsepianschool.org

Parent's Pledge As a parent/guardian I acknowledge the following:

1. I will remember that youth sports are played for fun and not for the adults.
2. I will be a good role model at all times, demonstrating good sportsmanship and show respect for my team, other players, parents, referees, and coaches regardless of score.
3. I will place my child's emotional and physical well-being ahead of my own personal desire to win.
