

## Church Registration Form

Pastors, In an effort to simplify the registration process for Kids Blast, we ask that all churches complete this church registration form with student AND leader information and return to First Assembly **by 12pm on February 18th** to receive the early registration price of \$30/person. The church registration form may be mailed to [juliepio@fafw.org](mailto:juliepio@fafw.org). Church leaders are required to bring individual student registration forms with signed release for EACH CHILD ATTENDING. Forms will be checked upon arrival to Kids Blast.

**All leaders attending must be “cleared workers”, which means they have a current background check on file with your church. If they are under 18, they must have personal references.**
