Corporate Quality Policy

CORPORATE QUALITY POLICY

SMEC is an international organisation specialising in consulting and project management.

SMEC's Policy is to:

- satisfy its customer by providing consistent, high quality and cost effective products and services
- satisfy its employees by providing a suitable working environment and employment conditions
- provide its owners with a satisfactory return on investment
- establish mutually beneficial relationships with suppliers.

SMEC is committed to:

- continually improving the effectiveness of its Quality Management system
- complying with the relevant requirements.

SMEC's policy is achieved by:

- establishing measurable objectives for achieving satisfaction of its customers and other interested parties
- communicating the quality policy and objectives throughout the company
- implementing a Quality Management System conforming to the International Standard ISO 9001 throughout the company
- providing adequate resources to achieve this policy and company's quality objectives
- continually improving the company's Quality Management System
- annually reviewing the company's quality policy and objectives for continuing suitability.
