

Staff Training Survey of Directors

1. Staff Training Survey of Directors

This survey is presented to University Directors by the President's Personnel Workgroup in response to the Staff's indication on a previous survey that there is a need for training. We will use your responses to recommend development of training for your specific areas. In order to target training to specific areas, we are asking you to give your name. Our report deadline to the President is September, 10, 2004, so we need your response by August 23, 2004.

1. Name:

2. Title:

3. Department:

4. What type of training would be most beneficial to your area as it relates to the day to day operations of you and your staff?

5. List any specific training methods you prefer:

6. What training would make your area the most efficient and productive?
