Or be one of our Walk-About-Ghouls!

As a volunteer in our Food and Beverage Department, you will have the opportunity to staff some of our Phantom Fright Nights specialty Food and Beverage stands.

Please note the following:

- All groups must be referred to the HR Director. The HR Director will be responsible for organizing the volunteer project in conjunction with the contact person for the group.
- In order to avoid the miscalculation of hours, both the HR Director and the department manager will calculate all hours worked by the group.
- Groups must complete required department training before the start of work. In Haunts, the department will review Haunt related policies and procedures. In Food & Beverage, the department will review food safety and cash handling procedures.

- All hours accumulated will be compensated at the designated rate of \$7.25 per hour.
- All members of the fundraising group must comply with all park policies including but not limited to security, safety, guest service, and proper cash handling procedures. Any conduct contrary to park policies will jeopardize the group's ability to participate in any further fundraising activities at Kennywood.

- Prior to working, all group members must be approved by the HR Director.

- Kennywood reserves the right to cancel at any time prior to the date of the arranged fundraiser.
