

CHURCH REGISTRATION FORM

Church Name: _____

Church Mailing Address: _____

Contact Person: _____ Volunteer or Paid Staff? _____

Work phone: (____) _____ Cell Phone: (____) _____ Fax: (____) _____

Email address: _____

How many student spaces are you **realistically** expecting to need? Guys: _____ Girls: _____

How many adult chaperones will you be able to bring? Men: _____ Women: _____ (remember – your goal is to have one adult for each 5-7 students of their gender)

Are you planning on bringing any adults as chaperones that would make good work site leaders? (All adults will be on sites. We're looking here for any with specific construction skills who would like to be in a leadership position. We don't want any of them under-utilized.) If yes, please describe them:

Information to be aware of as you plan:

TOOLS: As our work sites are assessed, we will potentially be asking each group to help us gather needed ladders and tools for group use. (You can never have too many good ladders!) We would ask you to mark them well with your name so that you are able to easily take them back home. If this is needed, we will let you know & we thank you for your help!

TRANSPORTATION: We will need your help transporting the ROL participants to work sites and during shower runs. We will need to know what vehicles you will be bringing (how many they can hold with seat belts), who will be driving them and, ideally, what the driver's cell phone number is. Please gather this information as you sign up your adult chaperones and send it in to us with your individual Participant Registration Forms by _____.

COSTS & DEADLINES: Each student participant pays \$70, each adult pays \$35, and in addition to that, your church is asked to pay a \$20 per participant materials fee. So the total cost per student is \$90, and per adult is \$55. You may feel free to charge your group whatever you like to cover other expenses, so long as these amounts are paid to _____. **Please send a \$100 Non-refundable Church Registration Fee in with this form by _____.** It will be applied to your final balance. **When you turn in the individual Participant Registration Forms by _____, you will need to pay a \$35 non-refundable deposit for all participants, youth and adult.** Your final balance will be due upon arrival in _____.

FIRST AID & HEALTH PROFESSIONALS: We will provide a first aid kit for every work site. And we will have a nurse on call during the week in case of minor injuries. But we also welcome you to bring as many adults with medical skills as possible – the more the healthier we'll be! We would like for you to be responsible for any medications your students bring.

All Asthmatics need to bring at least one inhaler of their meds and anyone with major allergies should bring an Epipen.

LEADERSHIP: Any event with this many leaders has potential for confused leadership. It is our prayer that all the participating churches would be willing to create a unified front, supporting, modeling and enforcing all of the policies laid out here and on the Student Flyer. We ask that at least one adult chaperone sleep with, and be in charge of, every 5-7 students of their gender and so insuring that their group's behavior will honor those other groups sleeping near them. We ask that they participate as fully as possible in all the activities planned.

Please sign here confirming that you have read all of the above information: _____
