# Why Integrated Healthcare Strategies for your Compensation Surveys?

No matter your needs—from staff through executive compensation surveys, to nursing, APC, medical director, physician and beyond—with Healthcare Compensation Surveys from Integrated Healthcare Strategies, a part of the Gallagher Human Resources & Compensation Consulting practice, your organization will receive the most comprehensive healthcare compensation data available in the market.

## THREE KEY BENEFITS OF OUR COMPENSATION SURVEYS

1

Unrivaled intelligence and benchmarking information gained from thousands of participants across the U.S.

2

More than four decades of dedicated healthcare compensation experience

3

Deeper insights at a variety of levels—all so you can lead more effectively and manage more competitively

### 2019 ENHANCEMENTS

This year's enhancements are focusing on industry segments with surveys specific to Children's Hospitals Staff Module (10), and Behavioral Health (15).

# National Healthcare Leadership Compensation Survey

Participation Opens: **February 8, 2019** | Publication: **August 30, 2019**

*For updated participation dates, please see our website.*

The National Healthcare Leadership Compensation Survey includes executive, director and manager-level positions to create a premier source of comprehensive leadership compensation data for systems, hospitals, medical groups, clinics and other non-acute care organizations.

### SURVEY FEATURES

- Our 2018 Leadership survey featured data from over 36,000 incumbents
- Comprehensive data on total compensation including: salaries, salary structures, bonus plans, benefit plans, budgeted increases, perquisites and severance
- Data reported by revenue size and region
- Participants in our 2018 Leadership Survey will be able to download a prepopulated survey with their previously submitted data
- Bundle the National Healthcare Leadership and Staff Surveys to save
- Specialized data cuts available for participants including: critical access hospitals, regional peer groups and more

*Save Time With Data Extraction, See page 17.*

# National Behavioral Health Compensation Survey—NEW

Participation Opens: **February 15, 2019** | Publication: **September 20, 2019**

*For updated participation dates, please see our website.*

The inaugural National Behavioral Health Compensation Survey will include compensation and pay practice data on numerous staff through executive level positions specific to the Behavioral Health industry segment. In terms of population health, a greater emphasis is being placed on ensuring behavioral healthcare services are accessible and available. Organizations must be able to benchmark compensation levels in order to recruit and retain employees who will provide top quality care to their patient population.

## SURVEY FEATURES

- An exhaustive list of benchmark positions, including top level executives and staff level patient care positions
- Comprehensive position data collected from both inpatient and outpatient behavioral health facilities, with data cuts presented for system owned versus independently owned entities
- Organizations who complete our Staff and Leadership surveys will not be required to fill out a separate questionnaire for this survey; please include your Behavioral Health data in your Staff and Leadership Surveys to be considered a participant
- Specialized data cuts available for participants, including: regional peer groups, state cuts, and more

## **Our Data Extraction Template Option is available for all participants**

We appreciate your taking the time to fill out our compensation surveys each year, and thank you for continually choosing our surveys. From our online compensation survey gateway at <https://surveys.ihstrategies.com>, you can:

- Manage multiple user accounts for your organization
- Access and submit survey questionnaires
- View survey participation status
- Access all of your purchased survey reports

## **Download the Data**

Download survey data extraction option from your account at <https://surveys.ihstrategies.com>, then:

1. Simply drop your employee compensation data into the survey data extraction template
2. Match your job codes to our position benchmark codes

**That's it!** No need to aggregate data by position and average wages, and no need to report multiple entities separately.

[Get on the fast track to submitting your data. Ask a member of the compensation survey team how our data extraction template can work for you!](#)

## **Contact us to set up your account!**

Receive ongoing compensation updates, sign up for our 2019 compensation surveys and preorder your copy of the results. Our data extraction template simplifies the process, making it even easier to participate in the following surveys: National Healthcare Leadership Compensation Survey, National Healthcare Staff Compensation Survey, National Nursing Compensation Survey, National Healthcare Information Technology Compensation Survey and the National Advanced Practice Clinician Compensation Survey.

**Reminder:** Survey participants receive a discount on their survey results, and some results are only available to participants.
