COMPANY INTRODUCTION

Duong Hong Import Export Company Limited is a manufacturer which was established in 2009 in Hanoi, Vietnam. We are specializing in polypropylene and paper packaging production.

Our head office and sales office is located in central Hanoi, about 25kms from Hanoi international airport. Our factory is located in Hung Yen province, which is about 90kms from Haiphong sea port.

Our main products are:

- Polypropylene woven fabric rolls
- Polypropylene woven bag
- Polypropylene block bottom valve bag
- Kraft paper bag laminated with polypropylene woven
- Cement packaging bags

Our products are used in packing cement, rice, fertilizer, sugar, wheat powder, chemical, fish, shrimp, animal feed and all other construction, industrial as well as agricultural products.

We have good and experienced technicians working at factory who can provide technical advices to our customers. Besides, our sales people are also having rich experience in international trade and always ready to bring you the best services.
