## 5th Street and Mill Avenue

Wednesday, June 21st at 1 a.m. – Friday, July 21st at 10 a.m.

As part of the Tempe Streetcar project construction crews will be performing water line work along Mill Avenue at 5th Street. During this time, no northbound or southbound traffic will be impacted. There will be traveling restrictions for traffic traveling on 5th Street.

Additionally parking restrictions will be in place and bicycle and auto will share lanes around the work zone.

**Utility Impacts:** Some water services may be disrupted. Affected businesses and residences will receive separate notice in advance of shut off.
