

Budget Planner

Welcome to Advice Direct... the written information service from Guild Advice.

This leaflet is designed to provide students with some helpful tips on planning your finances throughout the academic year.

Top 10 Budgeting Tips

1. Plan your finances and produce a budget as early as you can
2. Spread your income across the whole year
3. Be realistic
4. Shop around with friends for food and buy economy value brands
5. Remember to pay bills on time
6. Take advantage of student offers
7. Monitor your finances regularly
8. Control your overdraft properly
9. Address any problems that you have as soon as they take place
10. Seek help when needed – don't ignore your problems

You must consider what your income will be over the next 12 months, and specifically over the duration of your academic year.

On the following pages we go through how to work out what your budget is for the academic year.

Your Personal Budget Planner

The first step is to calculate exactly how much money you have coming in across the year.
