- 7.6 If changes are made in the share capital other than those mentioned in Clauses 7.1 through 7.5 above, which are unfavourable to the Lender compared to the Shareholders (as a group), such adjustments to the Conversion Price shall be made pursuant to the principles set out in Clause 7.3 as will be deemed appropriate by the Lender to maintain the value of its Conversion Right.
- 7.7 The Conversion Price may never be set below the at all times the prevailing face value of the Ordinary Shares. If the Conversion Price should be below the face value of the Ordinary Shares, the Conversion Price shall be set equal to the face value of the Ordinary Shares.
- 7.8 The Borrower shall promptly notify the Lender of any proposal by the Board of Directors or the management of the Borrower to change the share capital or any other resolutions or circumstances which may affect the Conversion Price.
