Lessors shall provide lessees with an itemized written accounting of the dispositions of the security deposit and return any remaining portion thereof to lessees no later than three weeks after termination of the tenancy, by hand-carrying it to lessee's present address, or if unknown, to lessee's last known address. When possible, 24 hours notice will be provided to the lessees, or one of them, prior to entering the leased premises for these purposes.
6. **ALTERATION AND MAINTENANCE OF PREMISES.** Lessees agree not to make or permit any alterations, additions, improvements or changes in the house without, in each case, first obtaining the advance written consent of lessors. Lessees also agree to use the premises in a quiet, peaceful and orderly manner, and will not maintain or permit the premises to be used in any unlawful manner. Lessees further agree to keep and maintain the leased house and premises in a neat, clean and sanitary condition at all times, free of trash and waste. negligence of lessors or their agents. The lessees further agree any and all repairs to the premises, furnishings and appliances from any cause, to include normal wear, will be the lessees responsibility to repair up to the cost of \$_____, and the lessors agree to pay for the balance of repairs not caused by negligence or improper use by lessees, members of their family or guests.

The prevailing party is entitled to recover court costs and reasonable attorney's fees in addition to all other damages if any action is brought to collect unpaid rent, other charges or damages to the leased premises, whether or not the action proceeds to judgment. Retention of the security/cleaning deposit shall not bar recovery of damages incurred by lessors in excess of that deposit.
