Subject: **PFD FLUOROPOLYMER QUICK QUOTE**  
**TOOL PRODUCT LAUNCH**

The Parflex Division is pleased to announce the launch of the Fluoropolymer Quick Quote Tool via PHconnect.

The quick quote tool will allow users to:

- Receive an instantaneous quote on 900 series hose assemblies (919, 919B, 919J, 919U, 929, 929B, 929BJ, 939, 939B, 943B, 944B, 950B and 955B) composed of standard components
- Tool is easily accessed through PHconnect
- User may select assembly using drop down boxes or enter assembly part number
- Quotes can be saved to distributor quote allowing immediate order entry capability
- Quotes can be printed directly from the tool
- Expansion of the tools' capabilities to allow for Page assemblies is anticipated first quarter of FY '16

Please see the attached instructions to get set up and start using the Fluoropolymer Quick Quote Tool today!

If further information is required, please contact the Parflex Division.
