Lot Maintenance

This is where you can type in a general service description for parking lot plowing and deicing. See an example below:

Our winter services are provided to support our goals of obtaining a safe and functional environment during extreme inclement weather conditions. Winter snow and ice service is viewed as any other commodity-type service, when in fact it's not. This service is an unpredictable, emergency service...and Our Company understands the severity involved. We will make every attempt to achieve the best possible outcome.

Lot Plowing

This is where you can type in a scope of work for parking lot plowing. See an example below:

My Snow Removal Company will plow when 2" of snow has accumulated. This is measured by the contractor at the pavement, not to include drifts. Depending on the time of the snowfall, we attempt to service customers by 7:00 AM or 5:00 PM. often times roadway snow plows fill driveways aprons with excess snow after driveways have been cleared. If this causes a hazard or inconvenience, kindly contact us and we will attempt to clear this within a reasonably agreed upon time frame.

Lot De-Icing

This is where you can type in a scope of work for parking lot deicing. See an example below:

De-icing materials of the Contractor's choice will be applied to driveway/ parking lot, walkway, stairway and handicap access ramp areas at the discretion of the Contractor. The decision as to when and how much material is to be applied is based on many factors including but not limited to: current ground temperature, current weather forecasts from the national weather service and future weather prediction. Customer is aware that weather conditions in the area may change rapidly and without notice. Changes in weather conditions are considered to be an "Act of God" and the contractor assumes no liability as such.

My Snow Removal Company will not plow or sand/salt within 3 feet from any parked vehicles, equipment or other obstructions in parking lots, drives or other areas being cleared. Please attempt to move obstructions prior to our services being completed.

1. Snow plowing and de-icing service is contingent upon confirmation of landscape maintenance agreements, equipment and labor availability.
2. Geographic limitations apply.
3. Target/ready times may be stated but will not be guaranteed due to unpredictability of inclement weather commencement, traffic conditions and/or fatigue during continuous storms. (Safety considerations for our staff are equally as important as a safe environment on the property.)
4. In the event of untimely storm situations, all accessible areas shall be cleared as much as possible during business hours, then revisited after normal business hours as needed.
5. Our Company does not assume any liability for damages to property or persons related to inclement weather affecting mobility in any way.
6. Our Company is not responsible for damage of items covered by snow.
7. Our Company shall not be liable or responsible to owner, owner's representative or any governmental unit or entity for any fines, penalties or assessments for untimely or inadequate snow plowing or deicing.
8. Chemical ice melt or salt will be used in the de-icing procedure. Any damage resulting from the use of these materials is not the responsibility of Our Company.
9. Due to unpredictable conditions, service commencement is at the sole discretion of Our Company.
10. Owner or owner's representative shall make arrangements for dock equipment on pavement and locked, gated or any other security device that would inhibit the plowing or de-icing procedure prior to our arrival. Our Company assumes no responsibility for such arrangements.
11. Our Company reserves the right to commence service as needed 7 days per week, 24 hours per day, unless otherwise notified in writing.
12. In the event of de-icing product shortages or regulation thereof by state or local authorities, Our Company reserves the right to adjust pricing accordingly and will notify in writing of any adjustments.
13. Bulk snow removal services are available upon request at an additional cost on a first-come, first-served basis.
14. Please refer to your Proposal(s) for further details.
