With idyllic vistas of the Gulf of Thailand, spacious hillside villas and a wide range of unique activities, our team of professional event planners would be more than happy to create a customized itinerary to suit your unique needs and interests.

DAY 1: ARRIVAL

Four Seasons Resort Koh Samui welcomes your group with a panoramic view of the Gulf of Thailand.

Evening

The private cove is an ideal place for first night casual dining. The secluded beach is perfect for the group to get to know each other and food stations can be set up for a buffet dinner with local flares.

DAY 2: ISLAND ESCAPE

A variety of activities for the entire group or they can be optional tours for smaller groups to enjoy.

Day

- Spend the day in the sun exploring the natural wonders of Angthong Marine National Park on board a private boat tour. Discover the clearest waters snorkeling or on a kayak, or simply relax on one of the white-sand beaches.
- Alternative, stay ashore and explore Koh Samui by car and trek the tropical rainforest on the back of an elephant. Enjoy a safari through otherwise hard-to-reach jungle, pausing to take in wonderful views from hilltops or cooling splashes through waterfalls.
- For golfers, spend your day with a game of golf at Santiburi Golf Club – the island's only professional 72-course lined with exotic palm trees, numerous creeks and natural waterfalls.
- Head back to the Resort, and take an afternoon respite at the private beach and enjoy refreshing beach amenities at our compliments.

Evening

- Visit the Fisherman's Village for shopping as well as dining. Depending on the group size, the group can dine together or enjoy dine around as there are many restaurants to choose from.
