

IFRS Training Seminar Invitation

Invitation | June 28 & 29, 2017

IFRS Seminar hosted by KPMG Mongolia

We are delighted to invite you to a seminar and networking event that will be held on June 28-29, 2017 in the Topaz Hall on 3rd floor of Blue Sky Tower in Ulaanbaatar.

International Financial Reporting Standards (IFRS) are changing. This one-and-a-half day IFRS Training Seminar will focus on recent major developments in IFRS which will dramatically impact accounting and financial reporting in 2017 and 2018. It is intended for Accountants, Finance Managers and Executives in financial positions of companies interested in preparing for these changes, so as to develop a robust accounting system within their organization to mitigate risks and build long term value.

The presentations will include a theoretical overview of 3 key new standards, along with practical considerations for implementation in a range of industries in Mongolia.

Format

Lecture with mini-case study examples.
Printed materials in Mongolian will be provided.

Course Leaders

Senior Managers from KPMG Mongolia specializing in IFRS

Learning Objectives: Through lectures and practical examples, this training will provide participants who already have an understanding of IFRS with an update around key developments with a significant impact on the preparation of IFRS financial information in 2017 and beyond.
